## On higher derivative terms in the effective action on solitons

*Tuesday, October 31, 2006 11:30 AM (30 minutes)*

**Primary author:** FUJIMORI, Toshiaki (Department of Physics, Tokyo Institute of Technology)

**Co-authors:** ASAKUMA, Kaneyasu (Department of Physics, Tokyo Institute of Technology); OHASHI, Keisuke (Department of Physics, Tokyo Institute of Technology); ETO, Minoru (Inst. of Physics, University of Tokyo); NITTA, Muneto (Department of Physics, Hiyoshi, Keio University); SAKAI, Norisuke (Department of Physics, Tokyo Institute of Technology)

**Presenter:** FUJIMORI, Toshiaki (Department of Physics, Tokyo Institute of Technology)

**Session Classification:** Field Theory Motivated Theoretical Developments

**Track Classification:** Field Theory Motivated Theoretical Developments
