Probing Late Neutrino Mass Properties with Supernova Neutrinos

Tuesday, October 31, 2006 4:55 PM (25 minutes)

Authors: Prof. PEREZ, Gilad (Theoretical Physics Group LBNL and UC Berkeley); Prof. GOLDBERG, Haim (Northeastern University); Prof. SARCEVIC, Ina (University of Arizona, Department of Physics); Mr BAKER, Joseph (University of Arizona, Department of Physics)

Presenter: Mr BAKER, Joseph (University of Arizona, Department of Physics)

Session Classification: Neutrino Physics

Track Classification: Neutrino Physics
