Search for charged massive stable particles at CDF-II

Tuesday, October 31, 2006 2:15 PM (15 minutes)

Primary authors: Dr SNIDER, Rick (Fermi National Accelerator Laboratory); Prof. PHILLIPS, Thomas (Duke University)

Presenter: Prof. PHILLIPS, Thomas (Duke University)

Session Classification: Beyond the SM (includes model building and new particle searches)

Track Classification: Beyond the SM(includes model building and new particle searches)
