Behavior of the S parameter in the crossover region between walking and QCD-like regimes of an $SU(N)$ gauge theory

Wednesday, November 1, 2006 9:45 AM (15 minutes)

Primary author: Dr KURACHI, Masafumi (C.N. Yang Institute for Theoretical Physics, State University of New York, Stony Brook)

Presenter: Dr KURACHI, Masafumi (C.N. Yang Institute for Theoretical Physics, State University of New York, Stony Brook)

Session Classification: Beyond the SM (includes model building and new particle searches)

Track Classification: Beyond the SM (includes model building and new particle searches)
