Type: Oral

New Two-loop Contributions to Hadronic EDMs in the MSSM

Tuesday, October 31, 2006 8:15 AM (15 minutes)

Primary authors: HISANO, Junji (Institute for Cosmic Ray Research, University of Tokyo); NAGAI, Minoru (Institute for Cosmic Ray Research, University of Tokyo); PARADISI, Paride (Department of Physics, Technion-Israel Institute of Technology)

Presenter: NAGAI, Minoru (Institute for Cosmic Ray Research, University of Tokyo)

Session Classification: Beyond the SM (includes model building and new particle searches)

Track Classification: Beyond the SM (includes model building and new particle searches)
