Charged Higgs boson decay in supersymmetric TeV scale seesaw model

Tuesday, October 31, 2006 11:30 AM (15 minutes)

Primary author: Prof. CHO, Gi-Chol (Ochanomizu University)

Presenter: Prof. CHO, Gi-Chol (Ochanomizu University)

Session Classification: Beyond the SM (includes model building and new particle searches)

Track Classification: Beyond the SM(includes model building and new particle searches)
