Type: Oral

Charge quantization conditions based on the Atiyah-Singer index theorem

Tuesday, October 31, 2006 9:00 AM (30 minutes)

Primary author: Prof. DEGUCHI, Shinichi (Institute of Quantum Science, Nihon University)

Presenter: Prof. DEGUCHI, Shinichi (Institute of Quantum Science, Nihon University)

Session Classification: Field Theory Motivated Theoretical Developments

Track Classification: Field Theory Motivated Theoretical Developments
