

## **Session Program**

October 29, 2006 to November 3, 2006

## **Joint Meeting of Pacific Region Particle Physics Communities**

### ***Cosmology***

Sheraton Waikiki Hotel, Honolulu, Hawaii (Oahu)

Mon, October 30

10:00 AM

Cosmology

Session | Location: Sheraton Waikiki Hotel, Honolulu, Hawaii (Oahu), Niihau

10:00 – 10:40 AM Elliptic Inflation

Speaker  
Mr Tomohiro Matsuda

10:40 – 11:20 AM

Density fluctuations of an effectively single field inflation in a multi-field configuration

Speaker  
Masahide Yamaguchi

11:20 AM – 12:00 PM

Does a Randall-Sundrum Brane World Effective Potential Influence Axion Walls Helping to Form a Cosmological Constant Affecting Inflation?

Speaker  
Dr Andrew Beckwith

12:00 PM
