

# CosPA 2013

## Wednesday, November 13, 2013

### Dark Matter/Cosmology joint session - C'est Si Bon - Makai room (10:40 AM - 12:20 PM)

| time     | [id] title   | presenter                  |
|----------|--|----------------------------|
| 10:40 AM | [17] Strong link between the dark matter identity and the origin of the supermassive black holes | Dr SUYAMA, Teruaki         |
| 11:05 AM | [18] Cosmological constraint on light gravitino mass from cosmic shear                           | Mr KAMADA, Ayuki           |
| 11:30 AM | [21] Constraints on Large-Scale Dark Acoustic Oscillations from Cosmology                        | Dr CYR-RACINE, Francis-Yan |
| 11:55 AM | Break  |                            |
